(Aug 28, Sept 11th and 25th) Erie Blv East and E. Genessee St, (Aug 21, Sept 4th and 18th)  
Hancock Airbase

*It is critical to be on the streets – not only to continue to assert our rights to be there, but also to stand publicly for what we believe. Demonstrations and rallies are a key part of this. What Street Heat offers is a little different – it is a regular public presence at locations selected for their high visibility (six times a month), including Hancock Airbase (home of the 174th Attack Wing of reaper drones) twice a month. Please give it a try! Go a few times this summer and see what you think – if you're going to the Regional Market anyhow on a Saturday, stop by Street Heat first. Make a sign of your own or use one of ours. Contact Ann or Ed, 315-478-4571.*

#### Peace Picnic

#### Free Gaza Demonstrations

Thursday Sept 6 and 20 from 4:30pm – 5:15pm

Corner of E. Genessee St and Erie Blv, Dewitt

*Following the Great March of Return protests in Gaza between March 30, and May 15 (Nakba Day), 2018, Palestinians in Gaza have continued to protest at the Israel-Gaza border fence every Friday against the forced displacement of their families from their homes in 1948. At least 154 Palestinians have been killed in these protests, and over 16,000 wounded, by Israeli military fire. Our public presence aims to stand in solidarity with Gazans who continue to demand their internationally-recognized right to return to their homeland, and those who have died for the cause. Join us in bringing resistance to the occupation of Palestine to our community (bring a sign, or borrow one of ours)! More info: <https://www.facebook.com/events/967874813337043/>*
