## COMMUNITY EVENTS

### Still the One - Women's Dialogue

**Saturday November 18 2:00pm**

**ArtRage Gallery, 505 Hawley Ave. Syracuse**

*You're invited to meet the most feisty, determined and forthright women in Central New York at the ArtRage Gallery. They are the subjects of our exhibition, Still the One, and they'll gather here to share their stories on a Saturday afternoon with their portraits as a backdrop. These are women of a certain age (80 years old and over) who define the concept of being that person*

who can change the world. They have all, in one way or another, made a difference in their communities and presented themselves, through actions so much louder than words, as role models for future generations. Free to the public. Refreshments will be served.

### **Iron Jawed Angels**

**Saturday November 18, 7:00pm**

**ArtRage Gallery, 505 Hawley Ave. Syracuse**

*Katja von Garnier's "Iron Jawed Angels" tells the remarkable and little-known story of a group of passionate and dynamic young women, led by Alice Paul (Hilary Swank) and her friend Lucy Burns (Frances O'Connor), who put their lives on the line to fight for American women's right to vote. Joining us will be special guest, Dr. Susan Goodier. The SUNY Oneonta professor specializes in woman suffrage activism, from 1840 to 1920 and is the author of the new book coauthored with Karen Pastorello, Women Will Vote: Winning Suffrage in New York State (Cornell University Press 2017).*

### **Syracuse Campaign for NY Health General Organizing Meeting**

**Bishop Harrison Center @ All Saints Church, 1342 Lancaster Ave Syracuse, NY 13210**

*Join the Syracuse organizing committee downstairs in the Bishop Harrison Center as we meet to discuss the NY Health Act and how to build more support and awareness among individuals and business owners here in the Syracuse area. We will provide an overview of the NY Health Act for newcomers at the beginning of each meeting so new volunteers are always welcome. We will then work on detailed steps we can each take to let more people know about this important legislation and to invite them into our movement. We will make plans for canvassing using the Health Care Access Survey, develop strategies to get more businesses on board, and discuss how to encourage our local state senators to cosponsor the bill. Hope you can join us!*
