

PETITION: End Israeli Military Detention of Palestinian Children

Dear Representative,

We urge you to cosponsor the Promoting Human Rights by Ending Israeli Military Detention of Palestinian Children Act, introduced by Rep. McCollum.

This bill is needed to ensure that US taxpayer money is not used by Israel to commit human rights abuses against Palestinian children under military occupation.

Israel is the only country in the world to systematically detain and imprison children through a separate-and-unequal military court system.

Palestinian children suffer “beatings, long-term handcuffing, threats, intimidation, and solitary confinement,” which in some cases amount to “torture,” according to the Department of State.

This bill would prohibit any US assistance appropriated to Israel being used to support the military detention, interrogation, abuse, or ill-treatment of Palestinian children in violation of international law.

We look forward to hearing back from you on this matter.
