“Kabul to Syracuse to Niagara Falls:

***A Walk to Ground the Drones
and End the Wars”***

**Tuesday, October 6
7 pm**

**All Saints Church
1340 Lancaster Ave., Syracuse**

Kathy Kelly’s talk kicks off the Undrone Upstate Walk, a 165-mile walk from Hancock Air Base to Niagara Falls Air Base from October 7 through October 20.

Kathy is the perfect person to speak - she has been to Afghanistan many times as a guest of the Afghan Peace Volunteers. She has also protested drone warfare outside of U.S. military bases. She recently served four months in prison for attempting to deliver a loaf of bread and a letter about drone warfare to the commander of Whiteman Air Force Base in Missouri.
