

Dear Governor Hochul,

The Onondaga Nation School (Lafayette School District), the Tuscarora Nation School (Niagara Wheatfield School District) and the St. Regis Mohawk School (Salmon River School District) are schools which have been significantly underfunded for maintenance and capital improvements over many decades. As a result there are significant structural, safety and security concerns.

I urge you to include \$60 million in the 2022-23 NYS Budget, \$20 million for each of these Indigenous Schools on Indigenous Lands, plus \$6 million (\$2 million per school) on an annual basis for maintenance and improvements moving forward. This is a simple matter of justice for Indigenous students and families.

Sincerely,
