

Welcome to the 53rd Annual Plowshares Craftsfair!

The Syracuse Peace Council (SPC) is delighted to welcome you to this year's Plowshares Craftsfair and Peace Festival. Last year we returned to our original location at Nottingham High School after temporarily moving to the Fairgrounds in 2021 due to the COVID-19 pandemic. We are excited to be back at Nottingham after our successful return last year!

Thank you to the craftspeople, everyone who attended, and our lovely Plowshares organizers for making this possible. Plowshares is not only a wonderful community marketplace where one can shop and meet old and new friends, but also SPC's largest annual fundraiser - all profits support our work to educate, agitate, and organize for a peaceful and just world.

We are grateful to Oompa Loompya's food truck by the front entrance who will be serving delicious Filipino food and the CNY Worker's Center who will serve tamales, coffee, and tea in the Cafeteria.

See the following pages for craftspeople's booth locations, the entertainment schedule, thank yous, more on the Silent Auction and a little about SPC. For craftspeople's and entertainers' contact info and websites, go to the QR Code below or peacecouncil.net/plowshares. For more info on SPC, please see the back page of this program or visit our table at C-25, which will also be a lost and found site.

Again, thanks for coming, enjoy yourselves and be safe!

Thank You!

THANK YOU, THANK YOU!

Plowshares runs on people power and would never come to be each year without hundreds of hours of volunteer time.

Words cannot adequately express the thanks due to the amazing members of the Plowshares Committee who have worked incredibly hard to put together this year's festival. Each year is a huge undertaking, and their dedication, humor and passion have made it happen. Thanks to:

Amanda Hogan, Art Brangman, Andy Molloy, Barb Floch, Beth Mosley, Carmen Viviano-Crafts, Jonathan Trier, Karen Kerney, Lanny Freshman, and Zach Mitchell.

Thanks also to the SPC staff and the scores of others who organized the Raffle, Marketplace, Silent Auction and the SPC tables; fixed and distributed lawn signs; helped with publicity and volunteer recruitment; provided entertainment; and are volunteering for a myriad of jobs over the Plowshares weekend.

We are sincerely sorry that we don't have the space to list all your names. Know that your work counts and is deeply appreciated.

And they shall beat their swords into plowshares and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war anymore.

—Isaiah, 2:4

The Syracuse Peace Council

The Syracuse Peace Council (SPC), founded in 1936, is an antiwar/ social justice organization. We are community-based, autonomous and funded by the contributions of our supporters. SPC educates, agitates and organizes for a world where war, violence and exploitation in any form will no longer exist. We challenge the existing unjust power relationships among nations, among people and between ourselves and the environment. This work is sustained through organizing by SPC members through committees as well as being in coalition with other local organizations.

SPC's organizing committees:

- [Nuclear Free World](#)
- [Beyond War and Militarism](#)
- [Neighbors of the Onondaga Nation \(NOON\)](#) (C-24)
- [Justice for Palestine](#) (G-62)

SPC in coalition:

- [CNY Solidarity Coalition](#) (C-35)
- [Urban Jobs Task Force](#)
- [Alliance of Communities Transforming Syracuse \(ACTs\)](#)
- [Alliance for a Green Economy \(AGREE\)](#) (C-34)
- [Syracuse Police Abolition and Radical Re-Visioning \(SPAARC\)](#)

Get Involved:

The Peace Council is politically independent and grassroots. Everything we do relies on people-power – we are a community of individuals committed to growing a movement to challenge the existing unjust power relationships among nations, among people and between ourselves and the environment. There are many ways to get involved in the Peace Council – showing up at an event, joining an issue committee, lending a helping hand at the office, attending or organizing a rally or a demonstration, baking cookies for an event, posting event fliers... it's all about people power.

To get started, contact us at (315) 472-5478 or sign up to volunteer through peacecouncil.net/get-involved/volunteer/.

At the Plowshares Craftsfair, you can visit us at the SPC table (C-25) , NOON table (C-24), and Justice for Palestine table (G-62) to learn more.
